## 2016-2017 School Profile

**School Motto:** “Utmost Goodness, Utmost Righteousness” ~ based on Christian Bible, Deuteronomy 12:28

### School Overview

Pui Ching Middle School (PCMS) was founded in Guangzhou, China by Baptist Convention in 1889. It branched out to Hong Kong in 1933, and later during WWII, the school branched out again to Macau due to the Japanese occupation of Hong Kong. In 1952, with the financial support of the late parent, Mr. Ho Jin and the donation of alumni, parents, students and staffs, the school finally bought a permanent campus and had gradually developed into its present state. Nowadays, PCMS is a non-profit private Christian school in Macau, consisting of kindergarten (K1-K3), primary (P1-P6), and secondary (S1-S6) sections all in one campus.

### Important Notes

#### Academic Focus

In accordance with the school motto “Utmost Goodness, Utmost Righteousness”, PCMS endeavors to provide quality education and to ensure a balanced development in the six aspects of education: moral conduct, wisdom, physical development, social concern, aesthetic and spiritual growth.

Since there is no public examination system in Macau so far, one of the main objectives of the school-based curriculum and extra-curricular activities is that all students are properly prepared for college studies around the globe.

#### Curriculum

The academic calendar is organized on a trimester schedule, with approximately 40 school weeks per year. The core subjects of the Secondary curriculum include Language (Chinese & English), Mathematics, Information Technology, Physical Education, Fine Arts and Bible Study. By the final year of Junior high school (S3), the students have already taken introductory courses in History, Geography, Physics, Chemistry and Biology.

In Senior high school (S4-S6), the curriculum is divided into 3 academic streams, and the respective subjects are as follow:

## Ranking and academic grading system

PMCS applies 100-point grading scale in all subjects, and the passing mark is 60. Individual ranking in class is not reported and the academic result is reported in following ways:

1. Exact score: 0-100
2. Letter grades on curve based on the number of students who take the same course in the same grade:
 

Excellent.....{	A	the top 10% in the grade
	A-	the next 5% in the grade
Above Average.....{	B+	the next 10% in the grade
	B	the next 15% in the grade
Average.....{	B-	the next 10% in the grade
	C+	the next 10% in the grade
	C	the next 10% in the grade
Fair.....{	C-	the next passes
	D	pass after make-up exam
Fail.....	F	fail (below 60 marks)
